

## APPENDIX K – NOMINATIONS FORM

### Nominations for Rostered Ministry Candidates

The Call Committee would welcome your suggestions of possible candidates for our next rostered minister (pastor/diaconal minister). Please be aware that while the committee will take all nominations seriously, it can only talk with candidates in consultation with the bishop. Candidates from other synods must consult with their synodical bishop.

I would like the call committee to consider this person for our next rostered minister:
